\*Special software is needed for connection to a computer. Please ask your Sharp dealer for details.

**XE-A203**

## Speed, Accuracy and Performance for Your Small Business Establishment

The XE-A213 and XE-A203 will help to make your business more successful and your customers more satisfied. Easy-to-program keys allow you to assign PLUs by simply pressing existing keys. And step-by-step guidance on the LCD screen saves you the trouble of having to go to the user manual every time you have to do department key settings. A new USB interface means you can hook these cash registers up to almost any computer\*.

### Thermal Printer with Drop-in Paper Loading

Featuring thermal printing technology, the XE-A213/A203 print out sales receipts at a speedy rate of about 12 lines a second. Plus, a newly developed Drop-in Paper Loading mechanism allows you to exchange paper rolls quickly and easily.

Drop-in paper loading

### Clear Display for User-Friendly Operation

The LCD on the XE-A213/A203 gives clear display of characters. It also makes it easier to read the on-screen step-by-step guidance provided by the Lead Thru Programming. Customers also get a better view, and peace of mind, thanks to an easy-to-read customer display.

### Quick and Accurate Price Entry

Equipped with a maximum of 1,200 PLUs (price look-ups), the XE-A213/A203 make entering pricing information a snap. They also have a total of 99 departments each, allowing you to easily track and analyse transactions by product type. The XE-A213 has a PLU Level Shift function that lets you assign 3 PLUs onto a single direct PLU key. This means you can triple the number of direct PLUs keys on the ECR without adding extra direct PLU keys. 50 GLUs (guest look-ups) are also provided to allow recall of previous balances and subsequent reorder entries for restaurant customers.

### Electronic Journal

These ECRs feature an Electronic Journal function that can store transaction data electronically, thus helping to conserve paper and reduce costs.

### High-Capacity Metal Cash Drawer

The XE-A213/A203's space-efficient cash drawer takes up minimal counter space yet generously provides five bill compartments and eight coin compartments. When not in use, the ruggedly built drawer can be locked shut, keeping your money safe.

### Other Key Features

- Logo printing (24 alphanumeric characters x 6 lines)
- 25 clerks standard
- Tax (VAT) shift function (4 rates)
- Training function
- Prints out receipts in English, German, French or Spanish
- Flat, spill-resistant keys (XE-A213)
